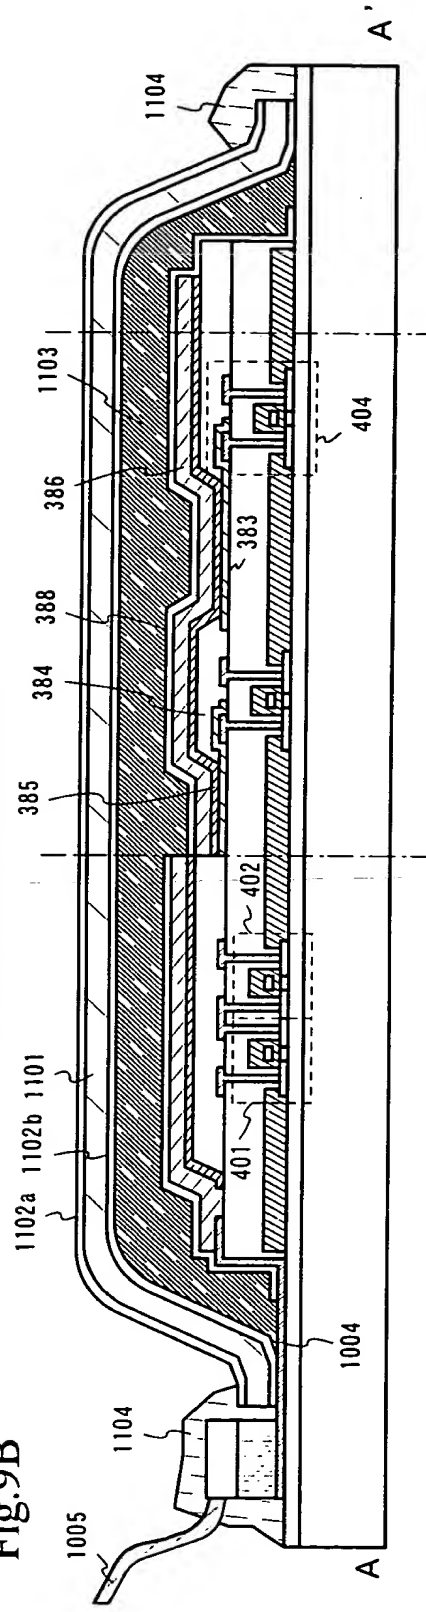

FIG. 10 is a schematic diagram of a system for providing a user with a user interface for a system. The system includes a user interface 1201, a system 1202, and a user 1203. The user interface 1201 is connected to the system 1202, which is connected to the user 1203. The user interface 1201 is also connected to a network 1204, which is connected to a server 1205. The server 1205 is connected to a database 1206. The user interface 1201 is also connected to a network 1207, which is connected to a server 1208. The server 1208 is connected to a database 1209.

This figure is a schematic diagram of a layered structure. The layers are labeled 11, 12, 13, 14, 15, 16, and 17. The layers are stacked vertically. The layers are labeled 11, 12, 13, 14, 15, 16, and 17. The layers are stacked vertically. The layers are labeled 11, 12, 13, 14, 15, 16, and 17. The layers are stacked vertically.
